

Boulder, CO, 11/1/17 - PRNewswire

W. David Luce, M.D., P.C., a Colorado-based, Board Certified Internist and medical innovator, announces his endorsement of and alliance with Cloud Medical (CloudMedical.io) and its founder Dr. David Tusek.

Cloud Medical provides ground-breaking, affordable health services in Colorado, where **patients see savings of 40-60% in healthcare costs.** Cloud Medical has 3 offices across Boulder and Longmont.

David Z. Tusek, MD at Cloud Medical

Dr. Luce says, “Cloud Medical’s unique model provides patients with advanced, direct primary care, starting at \$119 per month.” According to Cloud Medical, This low, monthly fee affords patients unlimited monthly visits, texts and emails with CM’s board-certified family physicians.

Cloud Medical’s connection to its patients is also unique, whose staff consciously seeks to cultivate lasting, trusted relationships with their patients. CM doctors and clinical staff alike genuinely desire to get to know each patient personally. In so doing, they become better equipped to serve each patient’s individual life path towards greater health and wellbeing.

Cloud Medical provides general adult medicine, pediatrics, office-based gynecology and nonstop urgent care for the whole family. Payment is transparent and affordable, with no surprises, no co-pays, no restrictions or denials. And most importantly, no hidden costs or added fees.

To join Cloud Medical as a patient, or to schedule a visit with Dr. Tusek, email Dr. David Tusek at drt@cloudmedical.io or call the Cloud Medical offices at 303.848.3800. Visit CloudMedical.io. It’s the new model for direct primary care. You may also contact Dr. David Luce to learn more. Dr. Luce will have office hours at Cloud Medical and can be reached at (303) 444-5689 and office@drdavidluce.net.

About Dr. Tusek

Dr. Tusek is a board-certified family physician, a member of the American Academy of Anti-Aging Medicine and the Institute of Functional Medicine, and has been invited to serve on the Congressional Integrative Health and Wellness Caucus. He relishes his CloudMedical.io patients, whether they’re training for the Olympics or trying to lose a few pounds. Dr. Tusek combines expertise in advanced diagnostics and the optimization of brain and body function, using a broad-based approach that blends cutting edge technologies with a natural orientation.

At the White House during the Obama administration, Dr. Tusek discussed the future of American medicine as a member of the steering committee of the Direct Primary Care Coalition based in Washington, DC. He is a former qualifier for the Ironman Triathlon World Championships in Kona, Hawaii. He enjoys skiing, cycling, and spending time with his wife and two daughters.
